We have been working closely with Wentworth Parish Council following local concerns about vehicles speeding through the village.

Earlier this week, we joined the Parish Council on a Community Speedwatch Session. The session took place on Cortworth Lane.

We surveyed 165 vehicles and are pleased to say that we found no vehicles exceeding the 40mph speed limit.

Speeding is one of four main contributing factors to fatal and serious collisions in South Yorkshire. We will be conducting more Speedwatch Sessions in the local area.
